## PHILOSOPHY STATEMENT

JeMMA's is a privately owned quality Home Based Child Care and Education Service that provides professional, well-resourced, affordable childcare in the homes of carefully selected Educators.

Our professional team of Educators, Registered Teachers and Management is committed to ongoing partnership with Families, Whanau and Children. JeMMA's provides planned programmes for children based on Te Whariki (the New Zealand national early childhood curriculum). We provide an environment that upholds the Treaty of Waitangi.

Our learning environments embrace the cultural diversity of local communities, Christian values and the belief that all children are unique and learn best through play.
