ENROLMENT PROCESS POLICY

1. The Co-ordinator will visit or post out to the parent the Application Form, Information Pamphlet, Enrolment Process and Child Care Subsidy Information forms (if applicable).
2. The Parent will choose to be either enrolled (weekly attendance) or casual (hours unknown day to day e.g. relief teacher). Educarer availability depends on the 1 to 4 child ratio(no more than two children can be under the age of 2 years) and therefore places cannot be assured for casual care. Casual fees are 50 cents per hour more.
3. The parent will return the completed Application Form and Child Care Subsidy Form (if eligible obtained from WINZ) to the Co-ordinator who will then provide them with the names and contact details of recommended Educarers.
4. Parent will ring the Educarers and make a suitable time to visit with their child.
5. We suggest that the parent does not decide in front of the Educarer, but reflects overnight. The parent should ring the Co-ordinator with the name of their preferred Educarer. The Educarer will also phone JeMMA's Co-ordinator and indicate if she/he will accept the child for care.
6. If neither Educarer is suitable, the Co-ordinator will endeavour to locate another Educarer. All Educarers and their family members over 18 years must undergo Police checks and pass Ministry of Education requirements. Educarers must be prepared to undergo training.
7. When a choice of Educarer is made, details will be arranged with the Co-ordinator and parent. All care arrangements must be authorised by JeMMA's Co-ordinators.
8. A starting date for care can now be made. Parents should be encouraged to find an emergency Educarer to be available if the regular Educarer is sick etc. Co-ordinators may be able to assist with suitable names. Such arrangements need to be in place BEFORE they are needed.
9. All food is to be provided by the parent unless other arrangements are made with the Educarer and Co-ordinator
10. JeMMA's staff will maintain regular contact by phone, visiting each child in care at least once a month, reporting back to the parents by means of a Co-ordinator Visit Form or notation in the child's diary left with the Educarer after each visit.
11. The Educarers are required to keep a child's profile of each child's events and milestones. Educarers must complete a weekly summary and a learning story. Parents are also encouraged to read and sign the child's portfolio.

ENROLMENT PROCESS POLICY

12. Attendance records must be initialed and signed by both the parent and the Educarer each week and sent to the office weekly by the fastest possible means. The Parent is responsible for checking that the hours they will be billed are correct when they sign.
13. Fees are payable at the end of each week to JeMMa's Homebased Childcare. Parents are responsible for working out the amount owing from the Educarers signed timesheets. If you require assistance please phone Jemmas Head Office. Accounts Department .
