

PHILOSOPHY STATEMENT

JeMMA's is a quality privately owned family focused Homebased Education and Childcare Service that is committed to ensuring that all children, parents, whānau and kaiako are welcomed and encouraged to play an active role in promoting positive outcomes for our learners. We are guided and inspired by Te Whāriki our early childhood curriculum which encourages us to appreciate that children come into the world eager to learn and we see this as a privilege where we can work in partnership with children, parents and whānau to empower our learners through responsive engaging environments and experiences where they can reach their highest potential and develop an enthusiasm for ongoing learning.

Building and sustaining quality learning focused relationships with everyone is the essence to who are and what believe is valuable for outcomes for children and their ongoing wellbeing and development. Our nurturing relationships will be underpinned through our Christian values and connection with people within our service and our wider communities. Our environments will embrace cultural diversity of Aotearoa and our commitment to Te Tiriti O Waitangi will be authentic.

We view all children as unique learners where they will have endless opportunities to learn through play and develop a range of knowledge, skills, and learning dispositions. This will spark children's independence, urge to lead their own learning, social skills, curiosity, creativity, discovery, ability to express themselves and things that are important to them. Our kaiako will dedicate quality time with our children where they will nurture those in the moment opportunities and offer the guidance, support, and encouragement that our learners need to blossom and thrive.
